

Hampton Hill Youth Chess Club

would be pleased to welcome new members aged under 18, who live in Hampton Hill.

Hampton Hill Youth Chess

You are warmly invited to join the Hampton Hill Youth Chess Club.

Hampton Hill Youth Chess Club was established during the Covid lockdown as an on-line youth group initiative, meeting twice a month over Zoom to play league chess on-line and to play friendly club tournaments. We use the chess platform Lichess, alongside our Zoom meetings.

We are keen to welcome new members from age 11 to 18, who live, or have school links, in Hampton Hill. Whether you can already play well and would like to compete on one of our league teams, or whether you are just looking for relaxed and friendly chess play, there is something suitable for you in our youth chess club and we would be delighted to welcome you.

We currently compete in the English Chess Federation 5 Counties on-line league in Lichess as well as in the Surbiton Invitational team leagues. Our club sessions start at 6pm every other Thursday, during which we play matches, and have post-match game analysis for those who like to stay and learn after their games.

We also meet in person for occasional 'Over the Board' events.

Membership of the youth chess group costs £25 per term and is invoiced in advance of each term.

To find out more, please email Verity Pettit at chessmateschessclub@gmail.com. We will be really pleased to hear from you. You would be welcome to have some trial sessions to see if our group suits you.
